

## TESTIMONIALS

*It is my pleasure to recommend Michael's Express Catering. We have been customers for many years dating back to the 90's when he would deliver food to our Imaging Center. He was always dependable and his food was always fresh.*

*What makes Mike so special is that not only is his food high quality and great tasting, but he is a genuinely great person and truly cares about his customers.*

*I have received many compliments on how good the food was from this caterer. We have used his services a few times and have been pleased each time. Michael has been prompt on delivery and includes more than enough food for the number of attendants. The food is delicious and priced reasonably. I have recommended Michael's Catering to others and they were very pleased with the service as well. Jackie D*

*Everything looked great, tasted great and you guys did a fantastic job. The turkey was fantastic - I can't believe you did that last minute for me. Please thank everyone behind the scenes. Mike you really over did it this year. You better start planning for next year!!!*

*Brenda T. - NYS Nurses Association*

*I recently visited the Albany area where I attended the Ovarian Cancer Survivors Course at the NY State Nurses Association Conference Center in Latham. We had the fortune to have your company cater the event. I wanted to extend my compliments and thanks to your staff for their service and for the "amazing food"!! I was advised that the Granola that was served at our breakfast was homemade but all I can say is that it was "the best" granola that I have ever tasted....and I am not prone to exaggeration!!!
